March - April 2019

I am excited to announce the expansion of World Missions emphasis in Delmarva-DC by appointing a Regional Representative team to assist us in reaching our goals for the world harvest. In addition to the International appointment of Dr. Terrell and Debbie Brinson, I am appointing Bishop Kim and Pricilla Tephabock (*Eastern Shore to Central MD*) and Bishop Mason and Trixi Carter (*Western MD to Central MD*) to work with us as we **Unite Locally ... Reach Globally**. Our target these next two years is: Tokyo, Japan. It is our desire to build a church and ministry training center in the heart of Tokyo to reach this vast harvest. With God's help, we plan to raise \$250,000.00 to make an impact on the world-class city.

We will begin with **MAY MISSIONS MONTH!** This May, I am asking every Pastor in Delmarva-DC to set aside a Sunday in May to take a special offering for Tokyo. I want you to bring that offering with you to our **Summer Centennial Celebration Camp Meeting June 23 - 26, 2019**. Sunday night June 23rd will be the time I will call upon every Pastor in our Region to bring their world missions offering for Tokyo. We are planning a special night to kick off our Centennial Celebration by focusing upon world missions. For the past 100 years, this region has been instrumental in reaching the world harvest. I believe the blessings and favor of God is upon us because of our continued emphasis to reach the lost.

Our Delmarva-DC World Mission team is ready to assist you in reaching your local world missions goals. Call upon any of them to come to your church to cast the vision for Tokyo. Together, we can give the largest world missions offering in the 100-year history of our Region. Plan your work and then work your plan and help us touch Tokyo with the love of Jesus Christ.
