Good Hope 2019 Year End Report

In 2019 we celebrated 6 years of ministry in Ward 8 – South East Washington DC. It is only by His grace that we continue to love our community with a desire to see lives changed and transformed by the power of the gospel of Jesus Christ. In many ways we are fulfilling Matthew 25’s instruction that what we do for the least of these, we do for Christ Himself. This has led us on a pursuit of loving people regardless of where they are from, how they look, what struggles they have, or the issues they bring. God has truly given us a special love for Ward 8 and we continue to pray for salvation and transformation for every person in this community. God’s desire is that none should perish and He has given us His heart for His people.

This year we served our community through our clothing and food ministries, we have held Sunday service at the local park and prayed for hurting and lost people, we have seen people transform and be baptized and become members of Good Hope, and we have seen many answered prayers for healing, deliverance, jobs, finances, and comfort in times of grieving. We have helped families keep their lights on, move into their own apartments, and get through tough times. Our ministry is all about walking with people in the right direction – towards Jesus. We desire to love people to Christ and see them change and be healed.

One of the many blessings of the year was our new partnership and growing relationship with *Christ Our Shepherd Church*. God has consistently brought us closer together over this year as we strive to answer the call to walk together as the body of Christ. Although we are two churches, we desire to pursue God’s vision for our community together. We enjoyed our summer BBQ together, went and picked corn for a local nonprofit farm, came together for a night of worship, and served our community a Thanksgiving meal and gave out free clothes. Although we come from vastly different socio-economic areas in DC, and are culturally different, we believe that it is God’s will for HIS body to be unified – not just the parts that look alike.

Church of God Mobilize

Mobilize seeks to provide effective and cutting-edge ministerial resources that encompass the training and formation of spiritual integrity in every believer.

What is Mobilize?

Mobilize is a mentoring program that establishes a bond of loyalty and a relationship of cooperation between the pastor and members. It is a pastor's tool for motivating and training members for spiritual leadership and ministry together.

Why is Mobilize an Excellent Way for Pastors to Become More Effective

God never intended for pastors to do ministry alone. Jethro counseled Moses in Exodus 18:14-18 not to try to handle the entire load of ministry by himself. God wants a support staff to grow up around the pastor to help bear the overwhelming burden of the church's ministry. As Bishop J. David Stephens emphasizes, "Mobilize has an answer for unlocking the potential of the many capable people sitting on your pews."
