The church is rapidly approaching the 2000th birthday of the modern church. We must continue to follow the dictates of the Great Commission to go into all nations, teaching them about the grace and mercy of our Savior. For our movement to participate in this commandment, the Church of God must **ADVANCE** our efforts with an evangelistic freedom. We must **ACTIVATE** every person and every resource available to us. And if we do so, we will **ACHIEVE** a great **HARVEST** in the latter day revival that lies ahead.

The Church of God - a Pentecostal movement birthed out of a desire to reach the lost and see them filled with the incredible power of the Holy Spirit - is poised to **ADVANCE**, **ACTIVATE** and **ACHIEVE** a great end-time **HARVEST**.

## Story Spotlight

At City of Refuge, we understand that in order to truly support families and individuals in crisis we must address multiple impact areas. One of City of Refuge's five impact areas is Supportive Housing which includes our Family Stability Program. FSP's goal is ultimately to help keep families in their homes. This allows families to have, not only shelter, but a place to grow roots. Children and adults alike need the stability that a consistent home provides. Even the simple privilege of staying in the same school district allows for a child to have a sense of consistency and a parent to have a peace of mind that is priceless. To come alongside these families, our staff provides direct financial assistance and consistent one-on-one support to parents. Numerous families have been able to find support through our FSP program and feel empowered to be able to provide for themselves.

One such success story from our Family Stability Program is the story of Iris. Iris joined FSP in February of 2022. Since then, she has been able to consistently pay for her rent and utilities, and pay off her past incurred debts. Now Iris can focus on covering her family with love without worry that her children will not have somewhere to live. Iris has since successfully graduated from the FSP program and now can enjoy the sense of autonomy of being able to care for herself and family.

Despite a successful graduation, our journey alongside Iris will not end there. Iris continues to keep in touch with her case manager, Ileana, to provide updates on her victories. We relish in being able to continue to cultivate relationships with our clients like Iris and celebrate them every step of the way.
