Rock Hall Church of God Hope House is now Open!

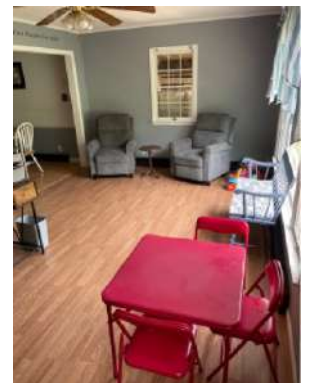

Hope House had its Grand Opening on May 27th and was a culmination of three years of work that not only included the congregation, but many people and organizations from the community.

Hope House was founded by Pastors William and Karen Wheatley. When they came to the Rock Hall Church of God the parsonage was in need of major repairs. After much prayer they were lead to open a free clothing and food bank with a mission that is simple and to the point: “Sharing the Hope by Sharing Food and Clothing.”

Hope House has truly been a collaborative effort with the help of church members and people in the community. It has been an intensive project. The house needed every surface redone and with the help of organizations like Recovery In Motion, Mission House, WCTR and the Chestertown Rotary, it was finally completed. The final piece of the puzzle was getting all new floors throughout the whole house. Hope House received a grant to cover those costs from The Chestertown Rotary.

Moving forward Hope House will be adding other services including free assistance with resume writing, job interview preparation, and more. We are partnering with WIC and Social Services as well as other organizations to assist in any food or clothing needs throughout Kent Island. For more information contact Karen Wheatley at kwheatl@msn.com.
