Senior Adult Day Highlights

**Thank You To All
Talent Participants and Attendees**

The population of the United States is aging! The population of the Church of God is aging. Often as people age they need an advocate to help them navigate the aging process. In response to that need the Christian Fellowship Church of God in Chase, MD sponsored a "Senior Expo." Working with the Baltimore County Department of Aging an information sharing session was offered with over 20 seniors attending. A representative from the Baltimore County Department of Aging presented valuable information. Good job Pastors Al and Jane Gilliam!

Blessed Hope Church of God located in Fort Washington, MD started the Mobilize program in July 2023. The Mobilize program seeks to provide effective and cutting-edge ministerial resources that encompass the training and formation of spiritual integrity in every believer. It is a mentoring program that establishes a bond of loyalty and a relationship of cooperation between the pastor and members. The biblical foundation for Mobilize is summarized best in Romans 12:1-8. Three couples were selected to participate in the launch. The participants, Mike and Olivia Abe, Michael and Rosalinda Lucas and Randy and Fe Peterson have successfully completed the first quarter of the program. Bishop Leonard Policarpio and his wife, Evelyn, are motivating and training these members for spiritual leadership and ministry together. Those attending the program claim that it is a great discipleship program in the sense that they are learning a lot on how to lead like Jesus and establish great relationships not only with their spouses but with others as well.
