Challenges - Post Pandemic!!!

March of 2020 will be a month that everyone will remember! On one day the entire world came to a sudden stop! A virus, unlike any the present world has known was sweeping across the globe with devastating effects. Now some 18 months later the world is trying to move forward! Leaders are facing some of the greatest challenges of their lives. The Church is no exception. Look at just a few of the challenges facing churches as we move forward:

- **People's fear!** Many people are fearful to come back to church. They are fearful to do almost anything!
- **Presentation of the gospel!** Methods and theory of yesterday are not working today. Most churches are seeing a very slow return to church by many people. How can the church be more effective in reaching this generation?
- **Purposelessness!** Many people seem to have lost their sense of purpose. The Church only has one purpose and that is "Make Disciples". We can have a lot of programs but they are must have the purpose of reaching the lost!
- **Pentecostal Power Renewal!** The Lord was not caught by surprise with this pandemic. He is not confused. He knows what He wants to do! He knows what we need! He is ready to pour out of His Spirit upon all flesh!
- **Prayerlessness!** He said it clearly in II Chronicles 7:14, "if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." The church and its people need to return to their knees, repent and rejoice in the Presence of God!

There is NO challenge to Great for our God! Let's trust Him!

Easton Church of God Pastor Keith Maxwell

We had an exciting week for over 84 children attended VBS-Rocky Railroad at the Easton Church of God in Easton, MD on August 9-13. God's presence was so great and our leaders did an amazing job from massive setup to the ministering each night. We ended the week out with a fun day of inflatables, snow cones and dunking Tank in which many of our VBS leaders were chosen by the children to dunk!!! This impacted this our community as these children came together in one place to learn how "Jesus always pulls us through"!!! Many memories and seeds were planted and we are excited to see the fruit produce from this amazing story through the Rocky Railroad VBS.

Pray for teachers!
Pray for students!
Pray for administrators!

Our Health and Wellness impact area provides individuals with access to fresh and healthy food that much of the community lacks access to otherwise. We currently offer: lunches daily, a weekly food pantry which gives an average of 50 lbs per-household per-week, and infant/toddler hygiene supplies.

Our staff and volunteers passionately serve our community each week to help maintain the dignity of the people we serve and love most.
